The Honorable Scott Brown  
359 Dirksen Senate Office Building  
Washington, DC 20510

Dear Senator Brown:

On behalf of the millions of women we serve, I want to thank you for supporting Senator Shaheen's important amendment to the Department of Defense Authorization bill that will provide military servicewomen, as well as the wives and daughters of service members, insurance coverage for abortion in cases of rape or incest. Your vote shows true commitment to ensuring that the women in our military receive the same coverage as women across the country—including federal employees.

Attacks on women's health have never been more ruthless, and I am so grateful to know that we have champions like you to protect and advance women's access to care at home and abroad.

Warm regards,

*Cecile Richards*
